PARENT PERMISSION STATEMENT

I hereby submit this application for my child to be considered for the APEX Scholars Program at Brunswick High School and give my permission to school officials to administer and report my child's achievement and aptitude test scores when required. I understand that this application and test results will be held in confidence by all members of the Screening Committee and that applications will not be returned to students or parents.

***The APEX Scholars Program is designed for students within the Brunswick High School Cluster. Full acceptance into the program cannot be granted to students outside of the cluster without approval for a school transfer from FCPS. This process is separate and independent of the APEX application process. Students should not apply from outside BHS cluster without the intent of moving within BHS cluster or already in a transfer placement school.**
